Asked for pamphlet a draft SO for approval or orders. Rs 397/- has to be paid to the Doctors who were taking the class previously. If retrospective effect is given to the order

It is not clear why so many Doctors were deputed & why a few should not have been selected for training the whole lot.

It is also for orders whether the allowances should be paid retrospectively

No. AC.1708/42

Date 28TH DECEMBER 1942.

To

MOTHAMED-UL-MULK
C.I.E., M.A., G.C. MEHKRI, Esq., B.A., LL.B.,
Chief Secretary to the Govt. of Mysore.
Bangalore.

Sir,

SUBJECT: Conveyance allowance of Re.1/- per day to Doctors who have taken classes in - First Aid Training in Mysore City.

(*Overleaf) I have the honour to forward herewith a copy of letter No.ARPT.763 dated 9th/10th December 1942, together with its enclosure, from the A.R.P.Controller, Mysore City, recommending the payment of a conveyance allowance of Rupee One per day to the Doctors who trained candidates in First Aid.

A similar allowance of Rupee One per day for the days of training to each of the doctors selected to give training in First Aid in Bangalore City was sanctioned in Government Order No.2314-15/W., dated 6th April 1942.

I therefore recommend that Government may be pleased to sanction a conveyance allowance of Re.1/- to each of the doctors taking the First Aid Classes in Mysore City also. I also recommend that the allowance may be sanctioned with retrospective effect as per statement enclosed to the letter dated 9th/10th December 1942, from the A.R.P.Controller, Mysore City.

I have the honour to be,
Sir,
Your most obedient servant,

for Inspector General of Police.

Overleaf.

Letter No.ARPT.763 dated 9/10th December 1942, from the A.R.P.Controller, Mysore, to the Inspector General of Police in Mysore, Bangalore.

.....

I have the honour to state that up to end of October 1942, 833 volunteers in Mysore City have been trained in First Aid. A statement is herewith enclosed showing the Doctors who trained, place of training and other details. Fresh batches are under training and some of the doctors are taking classes even now. So far we have not paid any remuneration to these doctors nor even their out of pocket expenses by way of conveyance allowances, etc. We have yet to train many more volunteers and the further co-operation of doctors is very necessary.

In Bangalore City, the doctors selected for imparting training in First Aid are being paid a conveyance allowance of Re.1/- per day for the days of training.

I propose a similar allowance may be paid to the doctors taking these classes in Mysore City also. A statement of allowances to be paid on this basis for work done till now is enclosed (*) and this may also be kindly sanctioned. Early sanction is requested.
